Eveleth Comprehensive Plan Public Review Meeting: April 2nd

The City of Eveleth will hold a Public Meeting for the Eveleth Comprehensive Plan Update at 6:00 p.m. on Thursday, April 2, 2009 at Eveleth City Hall.

The Eveleth Comprehensive Plan will serve as the foundation for planning and land use decisions in the City. Topics of the session include natural and cultural resources, housing, economic development, transportation, intergovernmental cooperation, community facilities, and land use. The recommendations also consider the Downtown and Highway 53 Corridor business districts. The Comprehensive Plan will serve as a guide for City decisions in the future.

The Public Review Meeting will give residents the opportunity to comment on the draft recommendations within the Plan. The draft recommendations can be reviewed prior to the meeting online at: <http://www.arrowheadplanning.org/eveleth> or by request. Official adoption will occur later in the Public Hearing Process.

The City of Eveleth is working with the professional planning staff from Arrowhead Regional Development Commission (ARDC) to complete the planning process.
